

Loyola Administrative Perinatal Center Presents
**The Infant of a Diabetic Mother &
Management of Neonatal Hypoglycemia**

Provided by

Tuesday, February 3, 2026

9:00-10:15 AM

Live Microsoft Teams Conference

SPEAKER:

Lisa Festle, MSN, RNC-NIC, APRN/CNS, Neonatal Outreach Educator for the Loyola University Perinatal Center, has 39 years of various neonatal experience as staff nurse, educator, and CNS. She has led and participated in numerous unit-based, regional network, and statewide quality improvement projects, and has presented at local and national conferences. Our speaker and the planning committee members have declared no conflict of interest.

ABOUT THIS PROGRAM:

This program will review neonatal risk factors for hypoglycemia, with a focus on the infant of a diabetic mother (IDM). An overview of the etiology and therapeutic approaches for neonatal hypoglycemia will be presented, including adverse neonatal outcomes that may occur if hypoglycemia is not identified in a timely manner and treated correctly. We will also explore other potential adverse fetal and newborn effects of maternal diabetes, not limited to hypoglycemia.

PROGRAM OUTCOME:

Participants will be able to identify key aspects of the infant of a diabetic mother, and list at least two risk factors for newborn hypoglycemia and describe two interventions for treatment.

This activity is being offered for a total of 1.25 contact hours for nursing.

Criteria for successful completion and receipt of contact hours for this educational activity include:

- 1) Learner to participate in the entire activity: Attendance documented at start and end of program.
- 2) Learner to complete on-line evaluation questions and attestation that they have participated in entire presentation.

Evaluation link and QR code will be posted upon conclusion of the event.
Access to the evaluation will close on Friday, February 6, 2026, at 11:45 PM.
1.25 CE will be emailed to you after completion of the evaluation.

Loyola University Health System is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
