

Loyola Perinatal Network Nursing e-Journal Club

Announcing OB/Neonatal Evidence-Based Articles!

October 1 through Dec 31, 2025

TWO OB Articles (1.5 CE total):

1. Sleutel, M. R., Newcomb, P., Valdez, E., Coates, D., & Urban, R. W. (2022). Birth, Postpartum, and Home Experiences of Individuals With Lower Extremity Nerve Injury. *Nursing for Women's Health*, 26(3), e1–e11.
2. Lower Extremity Nerve Injury in Childbirth: AWHONN Practice Brief Number 11.

Neonatal Article (1.0 CE):

Avila-Alvarez, A., Davis, P. G., Kamlin, C. O. F., & Thio, M. (2021). Documentation during neonatal resuscitation: a systematic review. *Archives of Disease in Childhood - Fetal and Neonatal Edition*, 106(4), 376–380.

It's easy!

**Scan for Webpage to
access Education tab**

1. Scan QR code or go to:
<https://www.loyolamedicine.org/services/womens-health/womens-health-services/APC>
2. Read Article Critiques
3. Read Nursing e-Journal Club Article(s)
4. Complete the evaluation(s) by 11:59 PM on January 5, 2026. You will receive your certificate(s) via email after submitting evaluation(s).

Program Outcome: Participants will successfully review obstetric- and neonatal-specific evidence-based practice and research articles, share original thoughts and opinions about the information reviewed, and recommend nursing and patient care practice changes with the goal of improving patient outcomes.

Criteria for successful completion and receipt of contact hours for this educational activity include:

1. Learner to read the critique(s) and article(s).
2. Learner to post original thought or opinion to each of the questions.
3. Learner to complete the on-line evaluation questions at the end of the activity.
