It's easy!

1. Scan QR code or go to:

<https://www.loyolamedicine.org/services/womens-health/womens-health-services/APC>

2. Click on Outreach Education Tab and find E-Journal Club

3. Read Nursing e-Journal Club Article(s)

4. Complete the evaluation(s) by 11:59 PM on Sept 30, 2026. You will receive your certificate(s) via email after submitting evaluation(s).

Program Outcome: Participants will successfully review obstetric- and neonatal-specific evidence-based practice and research articles, share original thoughts and opinions about the information reviewed, and recommend nursing and patient care practice changes with the goal of improving patient outcomes.

Criteria for successful completion and receipt of contact hours for this educational activity include:

- 1) Learner to read the and article(s).
- 2) Learner to complete the on-line evaluation questions (including original thought or opinion to each of the questions) at the end of the activity.
