Dr. Arti Rupani Garg

A 2011 Loyola Internal Medicine graduate, Dr. Arti Rupani Garg was a physician of impeccable character and charm. As a resident at Loyola, she displayed a love for teaching, a passion for research and a focus on excellent patient care. Our annual resident research day was renamed in honor of Dr. Garg and her positive contributions to Loyola’s Internal Medicine Residency Program.

Grand Rounds Abstract Competition Winners

Aarti Pandya PGY3
Provider Barriers to EpiPen® Prescription in Patients with Anaphylaxis

Alexander Turin PGY3
The Effect of Vitamin D Deficiency and Renin-Angiotensin-Aldosterone system Inhibition on Incident Atrial Fibrillation

Rick Gaines PGY2
Difference in Nighttime versus Daytime Outcomes for STEMI in an Institution with a 24/7 In-house Intervention Team

Thank you to the many dedicated faculty research mentors who take the time to work with our residents!
