Presents
Neonatal Review & NICU Certification Preparation

Sponsored by
The Loyola Administrative Perinatal Center

Course location:
St. Alexius Medical Center
1555 Barrington Rd, Hoffman Estates, IL 60169
Women & Children's Hospital- Lower level, Conf. Rms.1-4

April 6, 7, & 8, 2026, 7:00 am – 4:00 pm

Program Objective

This 3-day course will provide a comprehensive overview of neonatal intensive care nursing. Whether you are a new nurse looking for a complete overview, a seasoned nurse in need of a refresher, or an experienced nurse planning to sit for a certification exam, this is the review for you!

Featured Program Faculty

Linda Juretschke, PhD, RNC-NPT, APN/NNP-BC, ACCNS-N

Linda is the Founder and President of NICU Solutions, Inc., and has been involved in neonatal nursing since 1983. She has worked in a variety of roles including staff nurse, charge nurse, transport nurse, preceptor, clinical educator, neonatal nurse practitioner, and case manager. She has published in national journals including *Neonatal Network*, *JOGNN*, *Advances in Neonatal Care*, and *The American Journal of Perinatology*, and has lectured extensively across the United States on a variety of neonatal topics. Linda's presentation style is both professional and lively. You will learn in a relaxed atmosphere through understandable and practical sessions that will hold your interest throughout the entire program. Test taking tips are provided throughout the program, targeting key points to help you succeed in passing the certification exam.

Continuing Education

This continuing nursing education activity was approved for **21 contact hours*** by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

*Contact Hours awarded for full program attendance. Partial credit **cannot** be given for partial attendance at this program.
